CT SPORTZ CAMP 4TH-8TH GRADERS JULY 5-AUG 20 (1 week sessions)

With the help of the Town of East Rochester we have rented the Lodge at Eyer Park for a 7 week period and will run CT Sportz Camp at Eyer Park. This will be an extension of our traditional day camp, with the same well trained staff geared toward outdoor summer sports.

Although we will use Creative Themes Day Camp facilities at times, this will be a separate camp and not included in the Campership Program. Our goal is to open up spots at the Day Camp by having campers more interested in the faster pace of a Sports Camp or "bored" with the atmosphere of day camp. This will also offer a "change of pace" for those needing care all summer.

Go to our website at www.cthemes.net (CT Sportz Camp button) for more information.

Thank You,
